

LEGOLAND® NEW YORK RESORT

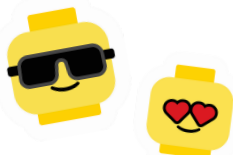

AWESOME AWAITS at LEGOLAND® New York Resort, the ultimate LEGO® theme park destination for kids ages 2 to 12 and their families. Located in Goshen, NY in the scenic Hudson Valley, families can expect a visit packed with adventures across the Park's 40+ rides, attractions, and seasonal events. The Park takes guests on a journey through seven LEGO themed lands:

- **Brick Street:** Entering the Park, guests pass under the iconic LEGOLAND arch, past BRAD the Dinosaur, and into a world that appears to be built of LEGO bricks! Here, guests can hop on the new **Minifigure Skyflyer**, a gondola-style attraction that provides an easy way to move from the top to the bottom of the Park, all while getting the best view of the 150-acre theme park!

- **Bricktopia:** The land with no rules, where guests can build anything they can imagine. Experience the first-of-its-kind **LEGO® Factory Adventure Ride**, in which Professor Brick takes you on a madcap ride through a fantastical LEGO factory and you can see yourself transformed into a Minifigure! Plus, visit the **NEW Master Model Builder Experience** to witness the Park's Master Model Builders in action designing, building, and maintaining the LEGO models from the Park.

- **LEGO® NINJAGO® World:** In this land, aspiring ninjas can master the ancient art of Spinjitzu. Start in Training Camp and progress to **LEGO NINJAGO®: The Ride**, where guests can help defeat the Great Devourer using only their hands as weapons!
