

LEGO® DUPLO® PEPPA PIG™ PLAYGROUND

Building on the partnership between LEGO® DUPLO® and leading toy and game company Hasbro, guests can experience a unique play space that brings the world of the beloved preschool series to life in an engaging, interactive environment.

Located within LEGOLAND® New York and spanning more than 13,000 square feet, the Playground will feel like stepping into a giant LEGO DUPLO toy box, featuring several of the most well-known and iconic elements from the PEPPA PIG universe. Fans of the PEPPA PIG animated series can explore:

- **Peppa & George's Puppet Show:** As the main attraction, this interactive theater will feature a live puppet show starring Peppa and George with other beloved characters on screen. The show is set against a dynamic digital backdrop, and the host will guide visitors on a journey through songs and games, featuring scenes from the beloved show.
- **Daddy Pig's Red Car:** Beep Beep! Join Daddy Pig and hop into the driver's seat of Peppa's family car to honk the horn, flash the lights, and snap a photo with the family home in the background.
- **Peppa's Tree House Playscape:** Visit the tree house playscape in the garden area where you can swing to the sky, crawl through tunnels, or enjoy the exciting slides. The Tree House features wheelchair accessible ramps to ensure everyone can join in on the fun.
- **Peppa's House:** Strike a pose in front of Peppa's iconic house and capture the perfect family photo to remember the adventure!
- **Grandpa Pig's Boat Yard:** Join Grandpa Pig at sea, bobbing along in the mini boats and get a photo as you sail through the imaginary world of PEPPA PIG. Don't worry, you won't get wet or fall in the water! While you're there, grab some brick and build onto the grand sandcastle Grandpa Pig has been building.
- **Cake Brick Build Table:** Take a break and unleash your creativity at the DUPLO brick build table! Make your very own colorful cupcake to add to the growing cake display.
